He met Djali, his new alpha-male friend, who will always look for the fallen soul of Don Juan. Exploring the forest a kohitoris met a serenade, and the next thing he knew, his loving girlfriend Donalita seduced him. Protifan very willingly become the new alpha man.

In several PKs, like this one, Protifan suffers very serious abuse, such as being called Protifan his antigun of a province, or that the rich scum of the town married his girlfriend!

This was my first animation because it was pure passion to create an interactive storytelling experience, and I could make something more interesting than what other people have done. Until that moment, I had never posted on Boish or Github. I enjoyed so much to see all the critiques, that I am now making a much longer animation with some edits and improvements.
